

UNITED TRANSPORTATION UNION
LOCAL COMMITTEE OF ADJUSTMENT NO. _____

DATE: ____/____/____
FILE: _____

Mr. Randy Weiss, ADLR
Union Pacific Railroad Co.
1400 Douglas St. STOP 0710
Omaha, NE 68179-0710

Dear Mr. Weiss:

We are appealing the claim(s) of

Conductor: _____: ID No. _____

Brakeman: _____: ID No. _____

Without prejudice to the Organization's position that what is involved may be a "major" dispute under the Railway Labor Act, claim is for 130 miles due to being withheld from working regular assigned pool freight turn. See claimant(s) time slip No. _____, dated _____, declined by Timekeeping, declination file no. _____, declination code no. _____, dated _____.

STATEMENT OF FACTS:

In this case, the Claimant was denied work opportunity on his pool freight assignment by the Carrier, in violation of the agreement.

POSITION OF COMMITTEE:

Claim is based upon Article 20(B) which states bulletins will be assigned by seniority in pool freight service, and Article 18(A)(6) which states pool freight trainmen shall only be reduced if they are not earning appropriate mileage or trips. Pool freight is run in irregular service with no off days.

You are respectfully requested to make an adjustment, allowing time claimed or schedule same for conference advising.

Sincerely,

UTU Local Chairman _____
